The proposal is not acceptable from the recruitment point of view Temporary maistries in the Public Works Department are to be appointed after advertisement through the Public Service Commissioner under rules, (G O No 9501-4/dated 26/5/44) There is no reason why appointments of temporary maistries in the CPTB should be exempted from the operation of the rules of recruitment Immediately after vacancies occur they may be reported to this office for advertisement Pending selection of candidates after advertisement, the appointing officer is empowered to make interim arrangements for urgent conduct of work for a period not exceeding three months under Rules 19 and 21 of the Manual of Recruitment This provision is ample enough for the appointing officers to execute the schemes without delay

8/ Hence the proposal need not, be sanctioned The Chairman may be asked to adhere to the rules in filling up vacancies of temporary maistries No approved lists are issued for appointments of maistries As and when vacancies occur, they have to be advertised and filled up

SUB :- Appointment of temporary Maistries owrs to be vested in the Chairman, C I Trust Board

I have the honour to state that in connection with the execution of the several schemes of the Trust Board, a number of temporary Maistries have to be appointed from time to time in this office As per rules however these appointments have to be made through the Public Service Commissioner and this procedure naturally involves delay in securing right type of men for the work just when they are a wanted most

2 A forecast of these vacancies also cannot be given as the appointments will have to be made only after the Schemes are sanctioned by Government as and when the necessity arises In case, action is taken to obtain hands through the Public Service Commissioner after receipt of orders of Government sanctioning Schemes unnecessary delay in the execution of the Schemes which are of a very urgent nature, occurs.

3 In view of the extreme urgency of executing the layouts and improvement Schemes undertaken by the Board and the necessity for appointing these temporary maistries as and when necessity arises, I request that I may be permitted to appoint competent candidates locally available as without reference to the Public Service Commissioner as and when the necessity arises ! The Chairman, City Improvement Trust Board, is a Unit Officer for purposes of recruitment and it is essential for the efficient and quick despatch of work connected with the Schemes of the Board that this discretion should be vested in him

2/

I request the favour of very early orders of Government in the matter

I have the honour to be,
S i r,
Your most obedient servant,

CHAIRMAN
